## Stock the Teachers Lounge

Each Valor Leander campus has "ReCharge Carts" for faculty & staff. These carts have healthy snacks and drinks that help give a mid day boost when they need it! These carts are funded fully by our Valor Leander families! Your Valor Leander PSO is looking for donations or items so we can start faculty and staff off right! Click the links below to learn more!

## Teacher Luncheons

Each month on early release days we ask our amazing Valor Leander families to help support our teachers and staff by assisting the PSO in hosting Teacher Luncheons! Each month has a specific theme and sign-ups! You can drop off your items to the school itself during drop off times and or donate so your PSO can purchase and make lunches for the Valor Leander staff! All luncheons will be held at the Kauffman Loop campus.

**Our 1st Teacher Luncheon is on Friday August 29<sup>th</sup> and our theme is BACK TO SCHOOL!**
