*Faculty Holiday*

December 8 - 10, 2025

## GIFT FUND

In lieu of individual holiday teacher gifts, please consider contributing to our Holiday Gift Fund! All funds raised will be evenly distributed among the entire Valor Leander faculty. This allows us to provide a meaningful, end-of-year bonus to each faculty member instead of many small individual gifts.

We also encourage families to send notes of gratitude! Personal messages give scholars and their families a wonderful way to show appreciation to specific faculty members. Please send cards to school with your scholar, and they will be delivered directly to the recipients.

### Donation methods:

- Zeffy (tax deductible receipt provided)
- Cash
- Check (payable to: Valor Leander PSO)
