Modeling What Matters

As parents, we play an important role in reinforcing the virtues our scholars are learning each day by modeling them in our own lives. The PSO encourages all families to actively reflect the values of **kindness, perseverance, gratitude, honesty, attentiveness, humility, courage, and wonder.** When we reflect these qualities in how we treat one another, our children, and our dedicated faculty, we help create the kind of community where everyone feels seen, supported, and inspired to grow.

September Faculty Luncheon

Our September faculty luncheon is going to be a **TOUCHDOWN!** for our staff!

We want to see your favorite game-day appetizers in action! Show us the snacks your family loves to make - from saucy wings and cheesy dips to pigs in a blanket & beyond. Get creative, get cooking, & share your crowd-pleasing creations with our staff!

Zeffy for Donations

Your Valor Leander PSO uses a platform called Zeffy to collect donations throughout the year for events like Faculty Luncheons, the Fall Festival, Classroom Celebrations, and Restocking the Faculty Lounge, just to name a few!

The best part? **100% of your donation goes directly to the PSO**, with no platform, transaction, or processing fees deducted.
